|> The biggest reason why the cost of medical care is so EXTREMELY high and

|>increasing is that NATURAL methods of treatment and even diagnosis are still

|>being SYSTEMATICALLY IGNORED and SUPPRESSED by the MONEY-GRUBBING and
POWER-

|>MONGERING "medical" establishment.

|That's not the half of it. Did you realize that all medical doctors have

|now been replaced by aliens?

Yup. By the way, what planet are you from, and once you got here, did
you encounter those prejudices against foreign medical graduates?
