

8 Biggest Graphic Design Trends For 2020 & Beyond [Infographic]

As you have probably noticed, the past few years in design have been dominated by bold colors, mind-bending gradients, and futuristic compositions.

But in 2020, the graphic design world is going to feel a lot more reserved, harmonious, and natural.

Well, except for the illustrations, those are going to get a lot more abstract this year.

This shift is likely a reaction to the overuse of some of the previous graphic design trends.

Design styles that were very unique just a few years ago have become just another common tactic used by massive corporations.

So to stay ahead of the curve, be sure to check out the 8 Graphic Design Trends for 2020 and beyond below!
